[overlaps]

[cutouts]

SAMPLE

+

=

In this sample, the shapes overlap one another and is easier to edit. For instance if you wanted to change the circles to squares it is very easy to do so.

SAMPLE

+

=

In this sample, the shapes knock out the shapes below. If you want to change the lettering or shapes to something else, then you have extensive editing in order to do so.

Both left and right samples appear the same when combined, but are different when broken down into parts.
